

Absolique GRN - \$176 – 125ml - Grow. Revitalise. Nourish

Absolique GRN is specially formulated with vitamins and synergistic ingredients that have antioxidant and anti-ageing properties that can address hair loss, hair thinning and enhance hair growth. Absolique GRN also contains ingredients that promote natural absorption, improve blood flow, moisturise, and hydrate, are antibacterial, calm irritation and itchiness, support skin, reduce inflammation, encourage cellular renewal process, regenerate collagen and elastin and assist natural hair pigmentation.

Absolique GRN delivers a positive result on various types of hair loss and hair thinning problems when used as directed. Absolique GRN can also be used as a prevention of hair loss when you know there is something like a surgery, medication, or post-partum alopecia, to prevent hair loss but must be started 3-4 months before the event to be effective. Scalp preparation is required for effective absorption of

GRN. Scalp preparation may include Scalp Brush Therapy, Absolique Scalp Cleanser, Absolique Scalp Tonique and Microneedle Therapy. Absolique GRN has been used as a safe and natural alternative to Minoxidil with positive results. The many antioxidant properties in Absolique GRN deliver this breakthrough result. Absolique GRN is suitable for men and women and safe during pregnancy, conception, or breast feeding. Absolique GRN – Grow. Revitalise. Nourish is FREE from ingredients that can harm your health.

How to use Absolique GRN – Grow. Revitalise. Nourish: Shake before use. Apply 3-4 ml Absolique GRN to towel dried scalp after recommended scalp preparation. Use tip of applicator eye dropper to section through hair. Be careful not to get GRN on the hair as it is specifically for the scalp and could leave a residue on hair if too much is used. Blow drying is preferred on finer hair to avoid the feeling of residue on hair. GRN should be applied all over the scalp to help with the hair cycle and hair growth but can also be used in patches and patterns when directed. Style hair as usual after application.
